**FOR IMMEDIATE RELEASE**

## **LogiSync Named Weatherhead 100 Upstart Award Winner** *Annual awards honors fastest growing companies in the region*

**Westlake, OH (December 12, 2001):** LogiSync, developer of customized embedded communication solutions, has been selected as a 2001 Weatherhead 100 Upstart company. The annual Weatherhead 100 awards highlight the fastest growing companies in Northeast Ohio.

“This award is very meaningful to us because it quantifies the results of our team’s hard work and sacrifice, which has benefitted both LogiSync and its customers,” said Ed Yenni, President of LogiSync.

To qualify for the prestigious Weatherhead 100 award, presented by Case Western Reserve University Weatherhead School of Management, companies must show significant sales growth for five consecutive years. Companies in the Upstart category employ 15 or fewer employees. LogiSync ranked 16<sup>th</sup> among the 27 companies recognized in the category with 160 percent sales growth and 50 percent employment growth.

Yenni attributed the company’s impressive growth to its “powerful combination of great people, technology, and customers in a high-growth market.”

The Weatherhead 100 award has been presented to the region’s top-performing companies since 1987. It is regarded throughout Northeast Ohio as a testament to hard work, commitment, innovation and serves to reward companies that have a positive impact on the region’s economy.

LogiSync was honored among its peers at the Weatherhead 100 Awards on December 11, 2001.
